BECOME A PRATHAM PATRON

Your chance to be part of Pratham's story -
our growth, impact and community.

WHO ARE PRATHAM PATRONS?

Our Patrons are an exclusive group of people united by a determination to help transform the lives of children and young people in India through access to quality education

Becoming a Pratham Patron is your chance to be part of Pratham's story - our growth, impact and community. They play a key role in our efforts to raise awareness and funds in the UK, which help make Pratham's work on the ground in India possible.

The Pratham Patron Community in the UK enables like-minded people to deepen their knowledge and social impact through unique access to Pratham programme updates, experts and community building.

In recognition of your support Pratham UK is pleased to offer the following:

- Personal invitations to our bespoke Pratham UK events throughout the year, to stay up-to-date with Pratham's work and impact in India
- Two seats at the annual Pratham UK Gala in London
- Opportunity to organise tailor-made visits to Pratham education programmes in India
- Recognition on the Pratham UK website, in annual reports and across our various communication platforms

Impact of your donation

By pledging to be a Pratham Patron your donation will help us reach many more children across India with life-changing opportunities under our three core focuses:

- Transforming the lives of more than 5.6 million children annually through our direct work and government partnerships, to build foundational maths and literacy skills
- Helping to support over 3,700 girls and women per year to complete their 10th grade exams, who have previously dropped out of school
- Enabling over 31,000 young people annually to access employment opportunities through vocational training
